III. Notes on Voting at the GM

(I) Shareholders of the Company exercising their voting rights through the online voting system of the Shanghai Stock Exchange for general meetings can either log on to the trading system voting platform (through the trading terminal of the designated trading securities company) or log on to the Internet voting platform (website: vote.sseinfo.com) to cast their votes. For the first time to log on to the Internet voting platform to vote, investors need to complete the shareholder identification. Please see the instructions on the Internet voting platform website for specific operations.

(II) The number of voting rights that shareholders holding multiple shareholder accounts can exercise is the sum of the number of common shares of the same category and preferred shares of the same variety held in all shareholder accounts under their names.

If shareholders holding multiple shareholder accounts participate in the online voting of the general meeting of shareholders through the online voting system of the Exchange, they can participate through any of their shareholder accounts. After the voting, it shall be deemed that all the common shares of the same category and preferred shares of the same variety under the shareholders' accounts have voted for the same opinion respectively.

If shareholders holding multiple shareholder accounts repeatedly vote through multiple shareholder accounts, the voting opinions of common shares of the same category and preferred shares of the same variety under all shareholder accounts shall be subject to the first voting results of each category and variety of shares respectively.

(III) If the same voting right is repeatedly voted through on-site, the online voting system of the Shanghai Stock Exchange for general meetings or other means, the result of the first vote shall prevail.

(IV) Shareholders will vote on all proposals before they can be submitted.
